Position Announcement Food Connection Field Specialist, Part-Time Bi-lingual (English/Spanish)

About Second Harvest Food Bank

Looking for mission-driven work? Based in Silicon Valley, Second Harvest Food Bank of Santa Clara and San Mateo Counties is one of the largest food banks in the nation. Currently providing food to more than one quarter of a million people every month, Second Harvest is a trusted community-based organization that was founded in 1974. Despite the immense wealth in Silicon Valley, and partly due to the high cost of living, hunger and malnutrition are pervasive. The Food Bank distributes nutritious food, including more fresh produce than any other food bank in the country, through a network of nearly 320 nonprofit partners at more than 850 sites. Second Harvest is pursuing innovative efforts to increase access to food resources as it seeks to feed an additional 100,000 hungry people each month. To reach more people, it advocates for anti-hunger policies and connects those in need to federal nutrition programs and other food resources.
