

SECOND HARVEST
of SILICON VALLEY

Position Announcement Class C Driver

About Second Harvest of Silicon Valley

Founded in 1974, Second Harvest of Silicon Valley is a trusted leader in ending local hunger, distributing healthy groceries through a network of 310 partners at 1,000 sites in Santa Clara and San Mateo counties. This also makes Second Harvest one of the largest food banks in the nation. Due to the prohibitively expensive cost of living in Silicon Valley, hunger is at an all-time high as more and more families are forced to sacrifice nutritious food for housing. Second Harvest is helping to keep people healthy by providing enough nutritious food for over 58 million meals a year — half of which is fresh produce. Second Harvest also connects people to federal nutrition programs and other food resources, and advocates for anti-hunger policies on the local, state and national levels.
