

Selecting a Facebook Frame for your Profile Picture

1. Make sure you are logged into your Facebook account.
2. Visit www.facebook.com/profilepicframes.

3. Type **Second Harvest of Silicon Valley** into the search bar.

4. **Select your frame and the duration** of time you would like your frame to be live.

5. Press the button on the bottom right corner that says **Use as Profile Picture**.

6. You're all set!
